COMMENTS:

I object to 40 houses being built as the traffic will use lower sandhurst road as a cut through. This single track road has increased in volume and users travel at high speeds. 10 years ago it was such a pleasure to walk and cycle along . T
The land in question is important for nature and ecology and is a favourite haunt for barn owls,
Finchampstead has had a lot of development recently in the Arborfield village site. Permission to build 40 houses here would open flood gates for more development in this village . As a resident I strongly protest
