

NOTES

Contractors only to be used to read this drawing.
If any doubt exists the contractor must ask for clarification.
On no account must the contractor scale off this drawing.

Contractors and sub contractors must check and agree all dimensions before preparing workshop drawings or commencing work on site.

Contractors are responsible for informing reports of any discrepancies discovered on this drawing or between this drawing and any other related documents issued in respect of the work.

This drawing and the copyrights and patents herein are the property of the **British Standards Institution** and may be used or reproduced only under contract.

All work must be carried out in accordance with the current Building Regulations, Codes of Practice and British Standards.
If any doubt exists the contractor must ask for clarification.

The Construction Design and Management Regulations 2015:
It is the responsibility of the client to instruct the appointed person to coordinate the preparation of the Health & Safety Plan and the construction works and prepare a Health & Safety Plan and a Construction Management Information to the Health & Safety File if necessary.
