Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

☒ Yes

☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

I would like to erect a small orangery (4m x3m) to the rear of my property. This will serve as a dining room in my property.

Does the proposal consist of, or include, a change of use of the land or building(s)?

☐ Yes

☒ No

Has the proposal been started?

☐ Yes

☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

I have owned this property for over four years (since July, 2020), and wish to erect a small orangery/extension to the rear of my property.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Planning permission will be applied for after our application to the developer (Charles Church) for Covenant Consent has been approved.

Select the use class that relates to the existing or last use.

C2 - Residential institutions

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C2 - Residential institutions

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I'm not sure if I selected the correct "class" above. But this is just my residential house, which I own outright, and which I just want to add a small orangery/extension to the rear.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☐ Yes
☒ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent
☒ The applicant
☐ Other person

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No
