Amended Parking Plan for Phase 1.

Please state why you wish to make this amendment

As part of the project's phased delivery, the woodland arrival and associated visitor parking are anticipated to be delivered during Phase 2, as they are not required for Phase 1. In the interim, the client intends to operate from the White House Lane access during the initial years of operation.

For Phase 1, the client's parking requirement is limited to a maximum of 5–6 spaces. To accommodate this, we propose providing the necessary parking provision at the White House Lane access. Please refer to the attached drawing for details.
