COMMENTS:

I object to this application on several grounds:

1. It builds on land between Eversley and Finchampstead, bringing the potential merger of two distinct villages
2. It will create noise (people, cars, construction) in an area that usually has no noise and is therefore a haven to wildlife
3. At night time the area is dark and quiet and owls can be heard and bats can be seen at dusk. This will be destroyed with the noise and light from this development.
