Re: Planning Application, F/2002/7032, Nelson Lane, Hurst.

Dear Ms Vashi

I wish to object most strongly to the planning application for 'Rescue Kennels' in Nelson Lane, Hurst.

Firstly, I board up to 200 animals and the most difficult problem can be lack of mains water in this area. The water pipes are very old and they burst frequently. In the summer when all the local householders are using water for gardening etc we are only able to get a trickle out of our pipes, which is very difficult when the animals are thirsty and the Kennels have to be hosed down. The thought of another premises with many animals to care for will mean our water supply will virtually disappear as we are at the end of the line!

Secondly, I have been resident at Hemjoy for 23 years and have spent a great deal of time and money to ensure that my Kennels are the best in the area. I feel sure that should the proposed Rescue Centre find that not enough money is being accumulated they would then apply for boarding permission which I am sure would be granted as they are already on site. I welcome competition but not this close!!

Thirdly, Mrs Diane Brimblecombe started the animal rescue under the name Brittons Farm many years ago, and has done a super job caring for animals. Now the committee want to call the new site 'Diane Brimblecombe Animal Rescue Centre'. They are using her name but have failed to make provision for her future accommodation, which I feel, is shocking and disgusting.

I hope to hear that this planning application will be rejected.

Yours sincerely

Dudley Barnes

27th July 2002.

REF NO F/2002/7032
Site Address Cross Lanes Stud, Nelsons Lane, Hurst Reading.

Dear Sir,

In response to your letter regarding the proposed planning application at the above address our main concerns are as follow,

1/ The road in Nelsons lane which is in a very bad state, when planning permission was given for the stud farm there was a condition for a passing bay to be built but has never been implemented.
When we obtained change of use at Pound Lane Piggeries we had to do three passing bays, widened the junction at Pound Lane and Tarmac the point between Pound Lane and Nelsons Lane all at our own substantial cost, also the entrance to Cross Lane Stud is very close to a blind bend in Nelsons Lane.

2/ With a mobile home for permanent residence for a kennel assistant I wonder what sort of president this is going to set for all the other parts of Buckland Farm that were sold off, totalling nine all of which have some sort of stables or field shelter erected on them.

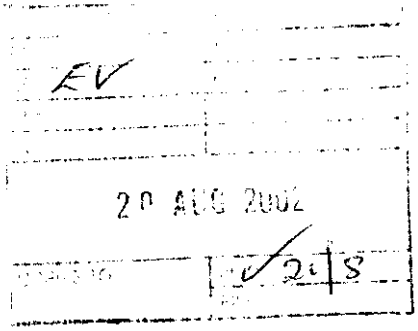

3/ As a livestock farmer we are very concerned with dogs being walked down lanes and on foot paths across our land with contamination of the dog worm of which dogs are the host, that can contaminate sheep and cattle and ultimately humans.

4/ We also have a large boarding kennel in close proximity to the proposed site, which we do get a lot of barking at night and concerned that one lot will set the other lot off, causing an intolerable noise level.

5/ Also with a large increase of traffic of people bringing in strays, the staff and many people looking to give the dogs a home, we feel the traffic in this narrow, busy lane without some sort of major upgrade would be inappropriate.

Yours sincerely,

J F Belcher

Ms. A. Cronin,
Head of Development Control,
Environmental Services Department,
Wokingham District Council,
Shute End,
Wokingham,
Berks.

Dear Ms. Cronin,

Relocation of Wokingham Animal Rescue Centre

I read with some concern and anger reported comments made by Hurst Parish Council on the proposed relocation of the Animal Rescue Centre to premises in Nelson's Lane, Hurst. The basis of the Parish Council's objection, that there is already a similar facility in the Parish, ie., Binfield Dog Rescue, is naive, narrow-minded and "parochial" in the extreme.

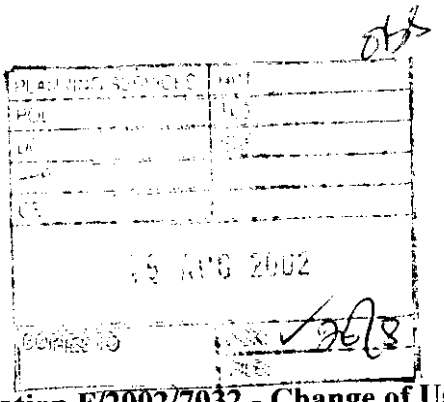

As former "guests" of the Rescue Centre my two cats join me in supporting Mrs. Brimblecombe's attempt to relocate her well-established and very necessary unit to Nelson's Lane, a move which would seem to be an appropriate land use in a rural setting and which is apparently supported by neighbouring residents.

I trust to the commonsense and objectivity of both officers and Members to over-rule the Parish Council's objections to this application and to grant consent to the relocation, so ensuring that Mrs. Brimblecombe's care and compassion for animals, demonstrated and recognised over many years, is allowed to continue.

Yours sincerely,

R.A.Fuller (Mr.)

Application F/2002/7032 - Change of Use of Cross Lane Stud to an Animal Rescue Centre

Dear Sir/Madam

I am writing to inform you of my support for the application listed above. I fully support The Diane Brimblecombe Animal Rescue Charity, both for its aims and the care it provides for animals in need.

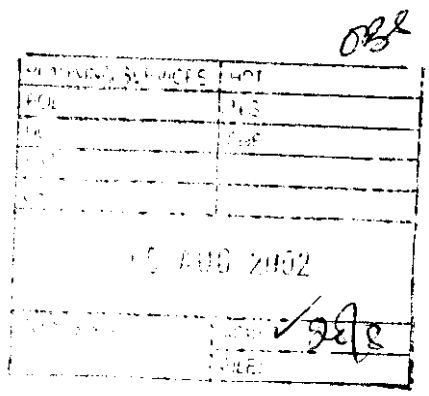

I understand that this new site would be ideal for them to continue their good work.

Yours Faithfully

Mrs T. Elliott

Dear Sir/Madam,

RE: Application for Change of Use of Cross Lanes Stud, Hurst
to an Animal Rescue Centre No. F/2002/7032

I am writing, on behalf of our Branch of the R.S.P.C.A, in support of the above Planning Application, which is being made by the Management Committee of Wokingham Animal Rescue.

There is a severe shortage of rescue kennelling available in the East area, and our Branch has to rely upon expensive private boarding kennels which amounts to over 40% of our annual expenditure of about £40,000. The excellent R.S.P.C.A kennels at Millbrook are almost permanently full, so we would very much like to have the opportunity to use the proposed facility should it receive planning permission.

Yours sincerely,

David Lloyd-Williams

Dear Sir,

APPLICATION F/2002/7032 -
CHANGE OF USE OF CROSS LANE STUD TO AN ANIMAL RESCUE CENTRE

I am a supporter of the Diana Brimblecombe Animal Rescue Centre at Brittons Farm for the past twenty years or so, and have worked there as a volunteer. The work done by the Centre for the care and rehabilitation of distressed and unwanted animals is beyond praise, as is the hard work and dedication of Diana Brimblecombe and her staff.

There is a pressing need for more suitable premises to meet the aims and future requirements of the Centre. After a long search and a number of disappointments suitable premises have been found at the Cross Lane Stud, Hurst.

I support the above application for change of use of Cross Lane Stud to an Animal Rescue Centre, and strongly recommend that the planning application be approved.

Yours faithfully

Joan Day

Dear Sirs,

Application F2002/7032
Change of Use of Cross Lane Stud to an Animal Rescue Centre

We write in support of the application by The Diana Brindlecombe Animal Rescue Centre to change the use of the present Cross Lane Stud to that of an animal rescue Centre. The work of this charity has been of great benefit to the community in safeguarding the welfare of animals and in the control of strays in the Wokingham area. We consider the new site will provide much needed facilities for homeless animals.

We commend this application to the Council.

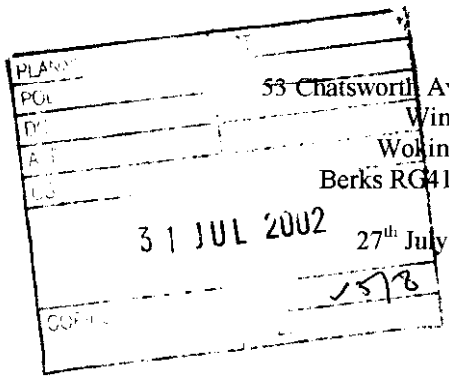

Yours faithfully,

Paul A Hammett

Reference Planning Application Number: F/2002/7032
Change of use of Cross Lane Stud to Animal Rescue Centre

Dear Sir,,

I would like to support to the above planning application on a number of grounds:

1. The original use of the land and the proposed use are similar and require the equivalent facilities, thus making the site an very suitable for the animal rescue centre.

2. I do not foree any addition traffic etc resulting from the change of use as the traffic to support a stud and animal rescue are similar.

I fully support the aims of the Diana Brindlecombe Animal Rescue Centre and believe this site is the idcal choice for a rescue centre.

If you require further details on any of the above points, please do not hesitate to contact me.

Yours sincerely,

Dave Laws.

Dear Sirs,

Re: Application F/2002/7032 Change of Use of Cross Lane Stud to an Animal Rescue Centre

I would like to urge you to accept this application as soon as possible.

Wokingham Animal Rescue is a tremendous organisation, the founder of which, Mrs. Diana Brimblecombe has worked tirelessly, all her life, 24 hours a day, to look after neglected and abused animals from the Wokingham, Bracknell and surrounding area. I believe she actually provides a public service! She provides employment for local youngsters and promotes their care and appreciation of animals for possible careers in Animal Welfare. The establishment of this new site will also provide further local employment.

The proposed site is most acceptable for the continuation of this wonderful charity and I implore you to assist Wokingham Animal Rescue in their aims.

Yours sincerely,

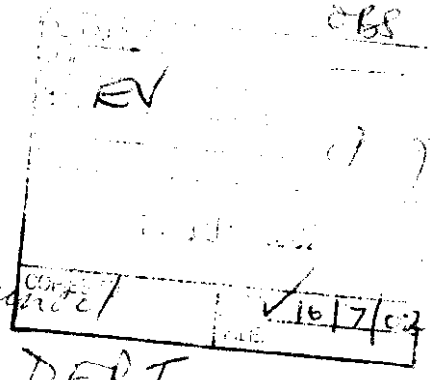

Lady Halswell

Dear Sirs,

I am writing this letter in reply to your invitation request for, support on the matter of the proposed re-siting of the "Animal Rescue Centre".

The letter was addressed to my daughter, who is now deceased to the Rescue Centre.

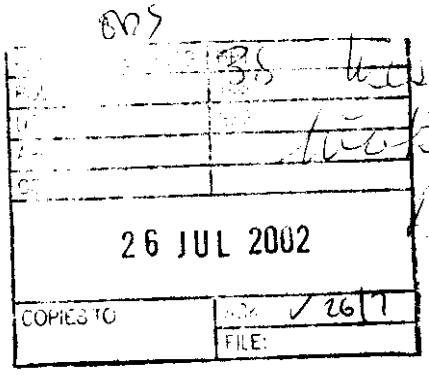

Although I am not a member of the supporting group at the moment, my late wife and I have been regular supporters of this charity.

It was our normal routine to
end the week every Sunday
afternoon with devotions for the
students and staff for 1pm
Unfortunately most the staff of
students, were not able to stay
I made fewer visits (since I am no
longer a full time) but I am still
in touch with the church through
the efforts of my daughter.

I fully support the proposed
move of the center to Vernal Lane.
This will be much closer to my home
and I will be able to visit more
frequently as before.

Dear Sirs

Application F/2002/7032 Change of Use of Cross Lanes Stud to an Animal Rescue Centre

We are writing in support of the above application. My wife and I have been volunteers at the Animal Rescue at Brittons Farm for over 18 months. The Rescue staff do a very good job in difficult circumstances in that they take in the strays and unwanted animals from quite a wide area, restore them to physical and mental health, and either find new homes for them or give them a permanent home at the Rescue. However, the existing premises, which consist of part of the founder's house and out buildings and her garden, are very crowded and it would be impossible at that location to meet the expected new hygiene and comfort regulations. The proposed new premises at Hurst will provide the space and the security of our own freehold premises, which will enable us to spend the funds that we have to provide care to the new standards. The premises are relatively close to Wokingham but in a rural location which, with good soundproofing and screening, should have minimal impact on the local community.

Yours faithfully,

I C Overton P E Overton (Mrs)

Application No F/2002/7032
Cross Lanes Stud to an Animal Rescue Centre.

Dear Sir,

I would like to support the application for change of use of the above premises to an animal rescue centre.

I have lived within approximately 500 yards of the centre at Brittons Farm for 25 years and have never been disturbed by undue noise. Obviously there is occasional barking, but nothing more than would be heard in many places.

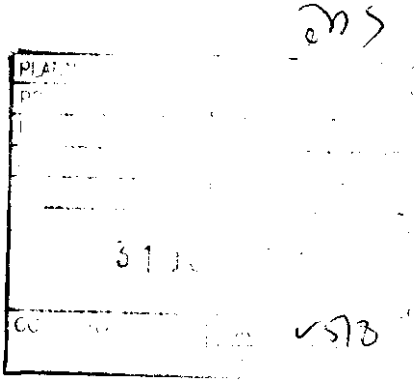

Over the years I have had six dogs and six cats from Mrs. Brimblecombe and they have all been lovely animals who were unfortunate to have been acquired by the wrong people.

While so many irresponsible people breed too many animals and other buy them without thinking it through properly, there will always be a need for people like Mrs.Brimblecombe to sort out the resulting problems. She has given great service to the local community for many years and I sincerely hope the centre will be able to continue the good work for as long as it is needed.

Yours Sincerely

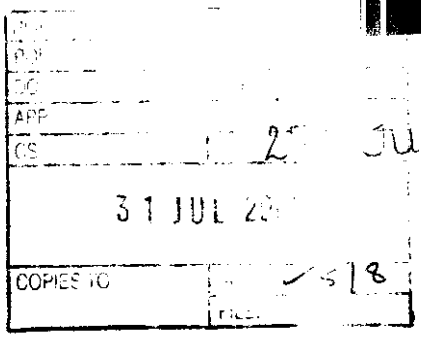

P. Row

Dear Sir/Madam

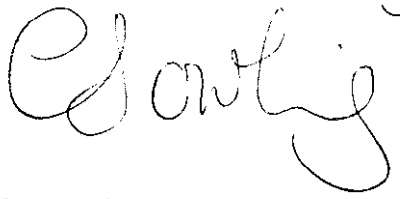

re: Application F/2002/7032 - Change of use of Cross Lane Stud to an Animal Rescue Centre

I am writing to express my support for the above application made by The Diana Brimble-combe Animal Rescue Centre. I understand from the aforementioned that the premises in Hurst are ideally suited for their future requirements and am therefore asking you please to give the relevant Planning Consent needed for this charity. to enable it to continue its excellent work in a better environment.

Continued ...

Thank you for your assistance.

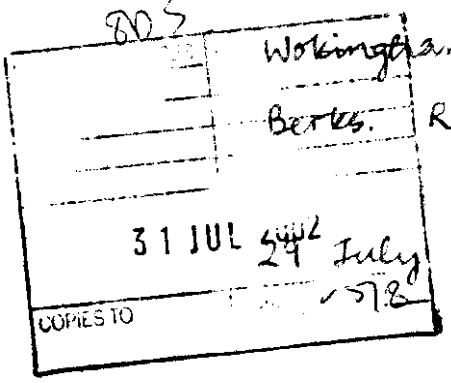

Yours faithfully

Georgina Dowling (Mrs)

Dear Sirs,

Application No. F/2002/7032. Change of Use of Cross Lane Stud to an Animal Rescue Centre

I support the above application because:

1. The Rescue Centre fills a real need in our society. They need new premises and these seem ideal.

2. As the property has been a stud farm, the surrounding area is used horse boxes, vehicles and visitors, so similar traffic to a Rescue Centre should not cause problems.

3. As the Stud Farm has already been home for animals, using it for Rescue animals will be similar, except for the sizes, variety and noises of the new residents.

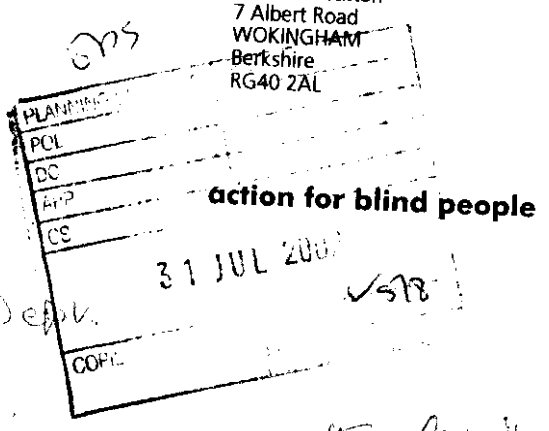

Yours sincerely

Dear Sir / Madam

Re: Application no F/2002/7052.

Change of use of Cross Lane Stud to an Animal Rescue.

We understand that the Brian Bricknell Animal Rescue Centre are seeking to change use of Cross Lane Stud Farm, House and Barn to use as Animal Rescue Centre.

As a family, we have received various cats and dogs from the Bricknell Centre and thoroughly support the aims of the charity. We consider the site at Hurst very suitable for an Animal Rescue Centre.

Dear Sir or Madam,

Re: Application F/2002/7032 - Change of use of Cross Lane Stud to an Animal Rescue Centre

My wife and I are in complete agreement with the principles and aims of The Diana Brimblecombe Animal Rescue Centre, and wish to support the above planning application most strongly.

The hard working and efficient staff and helpers of this organisation provide an essential humane service for the Wokingham area. The staff and helpers are very professional in their work, but above all, they have a deep affection for all the often abused, neglected and frightened animals that are brought to their doorstep.

Such is the modern climate in the treatment of animals that the pressure on this charity has grown steadily for many years now, and they really do need to move to a much larger site, one that can not only provide more suitable accommodation for the different animals in their care, but also cope with the probable increase in demand on their services in the future.

The proposed site in Hurst looks ideal for the establishment of an organisation that all local authorities should provide for their ratepayers, and one that will reflect admirably on the reputation of Wokingham District Council.

Yours faithfully,

P. Johnson (Mrs.) P. Johnson

G. C. Johnson (Mr.) G. C. Johnson

29th July 2002

Dear Sirs

Application No F/2002/7032 – Change of use of Cross Lanes Stun to an Animal Rescue Centre

I am writing to support and endorse the application by the Diana Brimblecombe Animal Rescue Centre for the change of use application in respect of The Cross Lanes Stud Farm at Hurst.

I have lived in Wokingham for 4 years, obtaining my cat from the rescue centre when I first arrived.

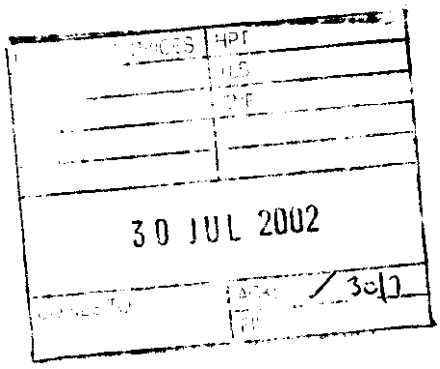

The centre desperately needs new premises. They have been looking for 3 years, as the current site is very outdated and small. They do their best to have as many animals as possible, but the conditions are far from ideal.

The centre should stay located in this area, as it serves an important local need.

The new site meets all these needs, being local, and suitable for the centre and I would ask the Council to support and approve their application.

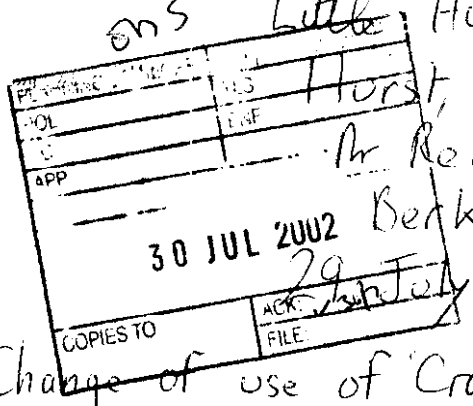

Yours sincerely

Louise Jones

Application - F/2002/7032. Change of use of Cross Lane Stud to an Animal Rescue Centre.

Dear Sir or Madam,

I am writing to support The Diana Brimblecombe Animal Rescue Centre's application for planning permission to found their new premises at Hurst.

The site appears to be ideal for their requirements.

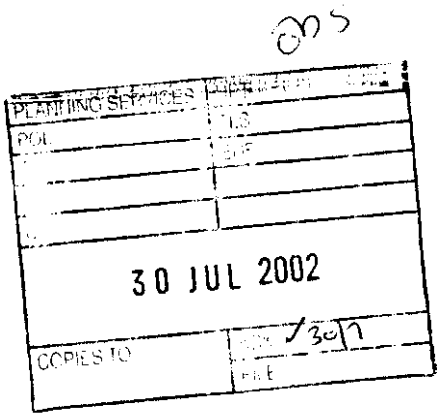

I fully support the Society's aims, and I hope Wokingham District Council will grant planning consent to this much respected, Animal Charity's application, for change of use from Stud-farm to an animal rescue centre, for land at Hurst.

I think this would be a very popular & successful move, supported by the local community.

Yours faithfully,

Margaret Adams,

Re: Application No F/2002/7032 – Change of use of Cross Lanes Stud to an Animal Rescue centre

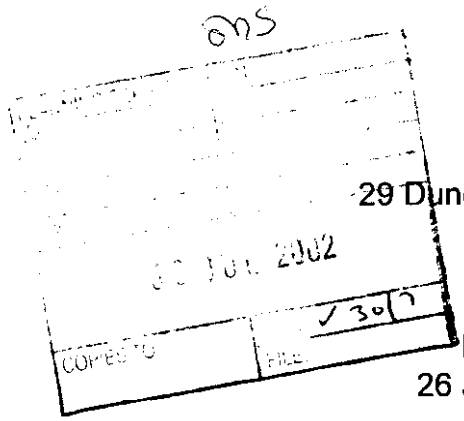

As a supporter of the applicant, Diana Brimblecombe and her charity I would like it known that I wholeheartedly endorse and agree with the new site for her very worthwhile rescue centre.

Having personally viewed the site I feel it would be most suitable and of course has the added advantage of, as far as I am aware, of having the full support of the nearby residence.

Mrs Brimblecombe and her staff do a wonderful job for the people of Wokingham and its environs, not only the dog lovers but in more general terms by keeping strays off our streets. As a responsible council I would urge you to support this venture.

Yours faithfully

Brian Allum .

Dear Sirs

I have become aware that the Wokingham District Council are being approached by the Wokingham Animal Rescue Centre in respect of a move to premises at Hurst - the Cross Lanes Site (Application F/2002/7032)

I have supported the Rescue Centre for many years and the work they all do is wonderful. The new site would seem to be just what they need to make life for the animals and hard working staff that much easier and more pleasant. It is not so far from Bracknell, from that supporters need feel that the Centre is many miles away from

the area.

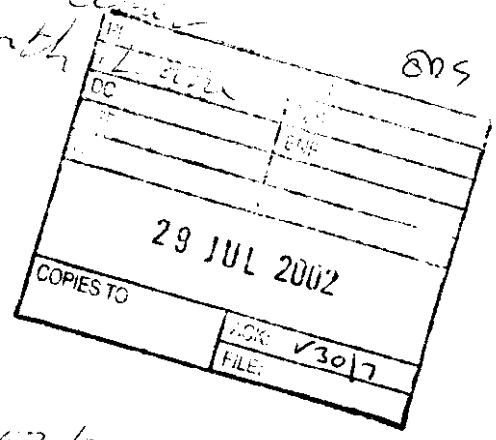

My address is 7 Croft Road, Whitstable RG 40 3HX - It is indeed a pleasant change to write to the Council initially concerning the case of planning permission!

Unlike an application for house building the world not appear to have encroached Portsmouth. It may have moved with time & sprawled the main Reading road Road!

Yours faithfully

REF. APPLICATION F/2002/7032.

Dear Sir,

I am writing this letter on behalf of my daughter Sarah Palmer.

Last year my daughter Sarah suffered a nervous breakdown and was admitted to Fairmile Hospital.

This was a very traumatic period for her mother, myself and her two young boys.

Thanks to the wonderful treatment of hospital staff and back up support of social workers, she made a good recovery.

Just prior to her release from hospital she made known to me that she would like a dog for herself and the boys.

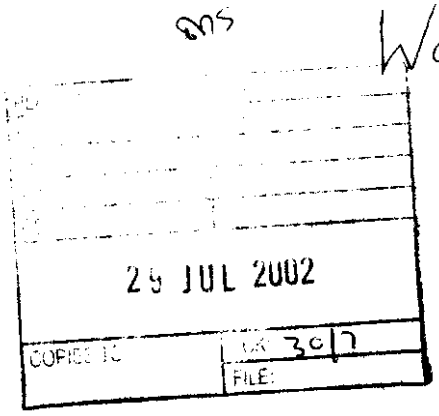

The very week Sarah and her family were reunited I took them to Mrs Brimblecombes Animal Rescue centre where they picked out a lovely little rescued dog "Emma".

The rest is now history. I think "Mrs Brimblecombe" does a fantastic job for all animals in need of love and protection and I think her planning application should be rubber stamped as soon as possible

Yours Faithfully

Dear Sirs,

Re: Planning Application F/2002/7032 - Change of use Cross Lanes Stud to the Diana Brimblecombe Animal Rescue Centre

We refer to the above Planning Application and write to advise that as our property is immediately opposite the proposed Animal Rescue centre we have had an opportunity to peruse the plans and site layout.
Our only concern was that there may be noise from barking dogs, but as the plans show the kennel block is on the far side of the site to our property and includes surrounding accoustic fencing we are satisfied that any noise will be reduced as much as possible.

We would, therefore, like to inform you that we fully support this proposal and hope that the application meets with your approval.

Yours faithfully,

Anne Campbell

Dear Sirs,

Application No. F/2002/7032 – Change of use of Cross Lanes Stud to an Animal Rescue Centre

As a long-standing local resident I write in support of the above planning application which would allow the relocation of the Diana Brimblecombe Animal Rescue Centre. You are probably aware that the Rescue Centre has an urgent requirement to relocate from its existing premises and it would be an absolute tragedy if it was constrained from doing so and had to close down.

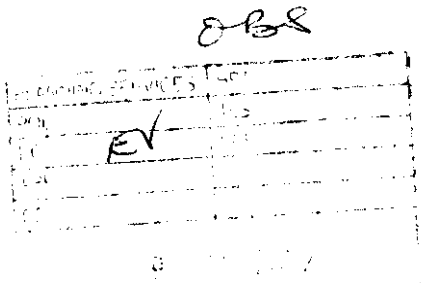

Having regard to the proposed new site, it would appear an entirely appropriate and sensitive use of the land in question with no adverse impact on local residents or road traffic.

In short, as a Wokingham resident and friend of the Rescue Centre I urge the Council to give favourable consideration to this planning application to protect the long-term future of the Rescue Centre, its staff and their valuable work.

Yours faithfully,

Damon C. Emes

Dear Sir/Madam

I would like to add my support to the application for change of use of the Cross Lanes Stud farm. So as the Diana Brimble Combe Animal Rescue Centre may make use of it.

I have seen the plans and feel that the Site would be most Suitable for the Charity's use.

I would request that the Council support and approve the Application.

Yours Sincerely

S. Shaughnessy.

Dear Sirs,

Re : Application No E/2002/7032 - Change of use of Cross Lanes Stud to an Animal Rescue Centre.

For some years now I have supported the Animal Rescue Group at Brittons farm in various ways. The grounds are a somewhat small nowadays for the purpose.

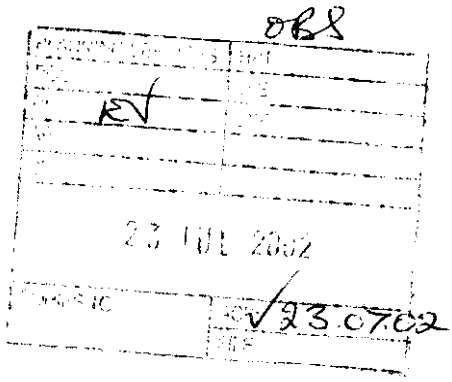

Therefore I have no objections at all to the proposed move to Cross Lanes Stud.
The extra space would be ideal for the welfare of all the animals concerned. It would improve their condition, and cut out some of the boredom of being shut up in confined spaces.

I would respectfully ask that you support this application - Mrs Brimblecombe and her staff work like beavers to keep the animals and accomodation up to scratch.

Thanking you in anticipation.

Yours faithfully

John P Wiggins.

Dear Sir,

I write to support the request for planning consent for a change of use from "stud farm" to an animal rescue centre at Hurst.

I fully support the charities aims and the site seems perfect.

I myself have had a dog for 16yrs (sadly now passed away), from Mrs. Brimblecombe's rescue home & my daughter, has now a beautiful dog from her.

These animals deserve a good home & would almost certainly be "put down" without the assistance of this remarkable woman & her helpers.

Please help her all you can to continue her wonderful work for this Workingham is famous locally.

Yours sincerely

Planning Application F/2002/7032

Dear Sir/Madam,

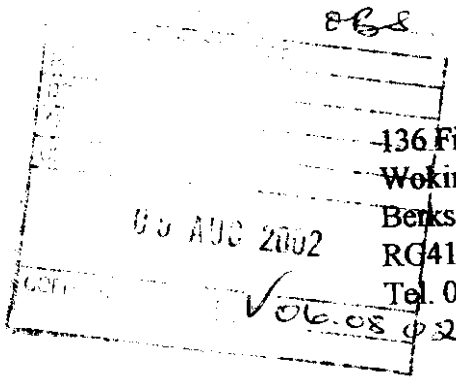

I write in support of the proposed change of use at the Cross Lane Stud Farm, Nelson Lane, Hurst to become an animal sanctuary run by Mrs. Dianne Brimblecombe.

This lady has been a lifeline to many unwanted animals over many years and her work must be allowed to continue in this new venue, I understand that the local residents are not in opposition to the plan and it would seem to be in an ideal location.

Hoping this application will have the support of the Planning Committee.

Yours faithfully,

Ken Goatley.

2nd August 2002

Dear Sir/Madam,

Re. Application F/2002/7032 - Change of Use of Cross Lane Stud to an Animal Rescue Centre.

We would like to register our support for the planning application by the Diana Brimblecombe Animal Rescue Centre Committee and Trustees.

We feel that the proposed new premises in Hurst seem most suitable for re-siting the present Wokingham Animal Rescue Centre. It would allow much more space for all the various animals and their individual needs. E.g. plenty of land to exercise the dogs, and also room for special care facilities for veterinary attention etc. It would also have easy and quick access to and from Wokingham Town Centre.

For many years Mrs Brimblecombe and all her staff and helpers at the present Centre have worked very efficiently - and extremely tirelessly - in the most professional way to support the needs of animals.

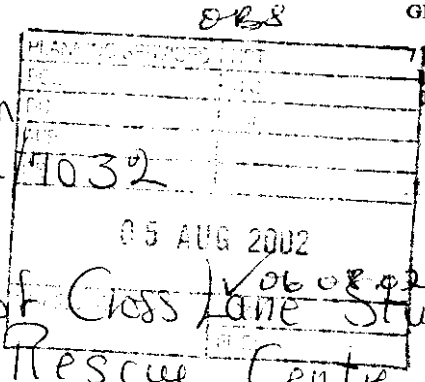

Yours faithfully,

J.A. & J.W. Gilbert

Dear Sir,

APPLICATION F/2002/7032 -
CHANGE OF USE OF CROSS LANE STUD TO AN ANIMAL RESCUE CENTRE

I have been a supporter of the Diana Brimblecombe Animal Rescue Centre at Brittons Farm for the past twenty years or so, and over recent years have worked there as a volunteer. The work done by the Centre for the care and rehabilitation of distressed and unwanted animals is beyond praise, as is the hard work and dedication of Diana Brimblecombe and her staff.

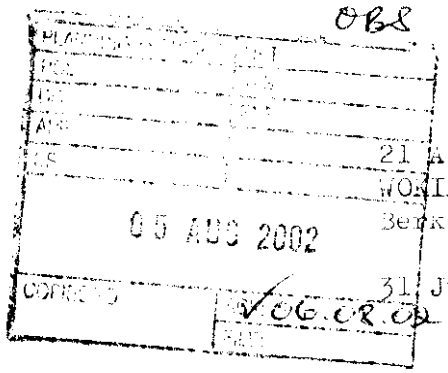

There is a pressing need for more suitable premises to meet the aims and future requirements of the Centre. After a long search and a number of disappointments suitable premises have been found at the Cross Lane Stud, Hurst.

I fully support the above application for change of use of Cross Lane Stud to an Animal Rescue Centre, and urge that the planning application be approved.

Yours faithfully

Pamela Greenwood

Dear Sirs

Planning Application F/2002/7032
Change of Use of Cross Lane Stud to an Animal Rescue Centre

I am writing to support the above Planning Application for the following reasons:-

It will enable purpose built accommodation to be provided for the animals;

Space for dogs to be exercised properly on home ground;

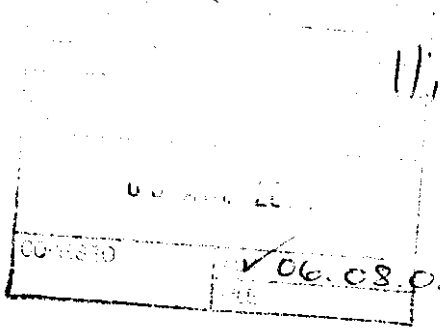

The situation of the new site will still serve the Wokingham community.

The Diana Brimblecombe Animal Rescue Centre has provided a wonderful caring service for animals for many years and deserves this opportunity to extend its facilities.

Yours sincerely

Dear Sirs,

Application F/2002/7032- Change of Use of Cross Lane Stud to an Animal Rescue Centre

We write in support of the above application. For many years we have supported the Animal Rescue Centre charity and have seen the dedication and commitment of Mrs. Brimblecombe and her staff to the wellbeing of so many animals in desperate need.

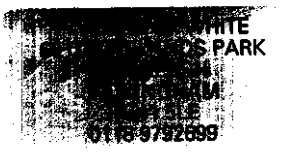

The chance to move to these new premises will prove of tremendous benefit to both the charity and the animals it so helps so tirelessly. The present premises are unable to cope with the numbers of animals that require looking after, whereas the new premises will be much more suited to provide the animals with the facilities they deserve.

We trust that you will look favourably on this application.

Yours faithfully

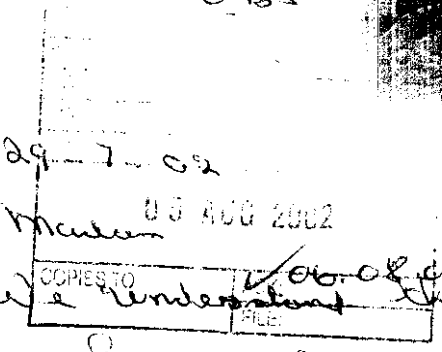

I.D.& B. Brant

Application No F/ 2002/ 7032 – Change of use of Cross Lanes Stud to an Animal Rescue Centre

Dear Sir or Madam,

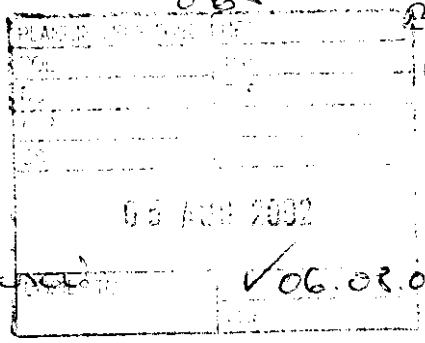

We should like to support the above planning application submitted by the Diana Brimblecombe Animal Rescue Centre. As beneficiaries of the excellent work done by this charity, having acquired a canine companion from the rescue centre, we would heartily support their desire to convert the Stud to an animal rescue. It seems an entirely suitable site. From our experience, because the animals in their care are well cared for, there is minimal nuisance from the rescue centre. Indeed it offers the community a valuable service and, being the only one of its kind locally, it is an essential part of the life of the community. We would therefore ask you to approve the application.

Yours sincerely,

Jane & Stuart Melton

30th July 2002

Dear Sirs,

Planning Application Number F/2002/7032 – Change of use of Cross Lanes Stud, Nelsons Lane, Hurst, from a Stud farm to an Animal Rescue Centre.

I refer to the planning application submitted by the Diana Brimblecombe Animal Rescue Centre, a Charity of which I am the Founder. For some forty years, aided by a truly magnificent band of staff and volunteers, I have personally managed the animal sanctuary, which has been located at my home, Brittons Farm. I like to think that the animal welfare work, which extends back for such a long period of time, has benefited not only the thousands of unfortunate animals that have required our assistance, but also the many communities which surround our rescue centre. I think the latter aspect is evidenced by the number of occasions upon which we assist not only local residents, but also the RSPCA, the Thames Valley Police and the Environmental Health and Social Services Departments of your own Authority.

Due to many circumstances beyond our control, of which my own recent infirmity is only one factor, the Charity is now obliged to identify a new permanent location for its activities and will be unable to remain based at Brittons Farm beyond the present year. Our Committee and Members have done sterling work in attempting to identify a suitable new site and have conducted their search in an honest and constructive manner, relinquishing any potential sites where they considered we might present a nuisance to neighbours or the immediate locality. On several occasions they have unfortunately been denied the acquisition of appropriate sites by the commercial hazards that attend the purchase of property in this area. At last, however, a sympathetic vendor has granted them protection whilst they pursue planning consent and, happily, Cross Lanes Stud represents perhaps the best site identified during our long search. It is located in a primarily rural area, with few local residents and offers the land area necessary to effectively perform our welfare work and meet the new legislative standards anticipated in 2003. Most importantly, every resident immediately located about the site has given us their blessing and supported our application. The advantage of my many years of experience in animal rescue permits me to express the opinion that it is a perfect site for the continuation of our community work. I think it may genuinely be concluded that if the grant of a satisfactory planning consent cannot be obtained on this location, we shall never successfully identify a site and the Charity will be forced to closure.

I therefore urge you most strongly to give this application the most favourable consideration and to recommend an appropriate grant of consent for the required change of use to the Planning Committee.

Yours faithfully,

D S H Brimblecombe M.B.E.

Re: Change of use application. Pound Lane Hurst.

Dear Sir or Madam:

I am writing to wholeheartedly support the application for change of use which has been made by Diana Brimblecombe and Wokingham Animal Rescue for the property in Pound Lane Hurst.

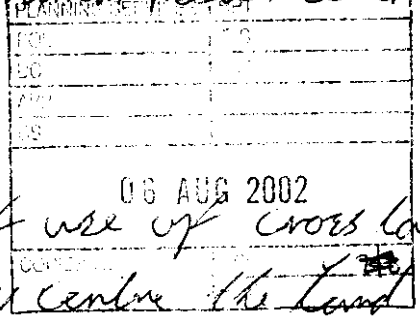

It seems to me completely appropriate that such a valuable service is provided in Wokingham. It also seems an appropriate use for the site and one which will retain the rural feel of the area.

Yours faithfully

Jane Cops

Jane Cops

Application to F/2002/7032/ change of use
Cross Lane to stud to ~~Animal rescue centre~~

The planning Dept.
please consider change of use of Cross Lane
to stud to animal rescue centre the Land
at Cross Lane would give the centre a brand
new start with better accomadation for animals
cleaner + modern the rescue as it stands is
over 40 years old + well supported but the
building are old + need updating also Cross
Lane is an ideal spot for the rescue as it is
still close to Wormyham + is surrounded by fields
so that the dogs can be walked safely +
not close to many houses to cause any
disturbance to any residents the animals are well
cared for + every effort is given to make sure
the animals are happy + rehomed properly. please
consider the case to save some animals + help
the rescue carry on + support the Wormyham District

Application F/2002/7032 – Change of use of Cross Lane Stud to an Animal Rescue Centre.

Dear Sir/Madam,

I am writing to you regarding the Diana Brimblecombe Animal Rescue Centre's application for planning permission to change Cross Lane Stud into an Animal Rescue Centre. I have supported the rescue centre ever since I moved to Berkshire 10 years ago, and have adopted several cats over the years from them, as well as taken part in various fund raising events.

The rescue centre is, in my opinion, vital and makes a real difference to the district. However, the current premises are now proving not to be suitable due to the way the charity has expanded. The move to Cross Lane Stud, would really improve the facility and ensure the animals are cared for in the best way possible.

Please accept this letter as full support of the charity itself, the suitability of the site, and of the application for change.

Yours faithfully,

Mrs M J David

Dear Sir

Application F/2002/ 7032 Change of Use of Cross Lane Stud to an Animal Rescue Centre

I am strongly in favour of the change of use of above named stud farm to an animal rescue centre.

I fully support the aim of this wonderful service to us in WOKINGHAM and feel that this site in Hurst will open up new opportunities for these dedicated people who care for ~~the~~ many, many animals.

Yours faithfully

Dear Sir/Madam,

Re: Application F/2002/7032 - Change of Use of Cross Lane Stud to an Animal Rescue Centre

We would like to express our support for the above planning application and trust that you will find in favour for the benefit of the Animal Rescue Group. This charity is not only local and of course run by a wonderful lady who has given her time and energy relentlessly to help unfortunate animals. As it is the only rescue centre for Wokingham it is essential that it is allowed to continue and the location at Hurst would seem to be suitable in every way and will enable the charity to provide much better housing and exercise areas for the animals in their care. It is also easily accessible which will enable the public to visit it without difficulty which may in turn help to increase awareness and funding for the charity.

The charity is in dire need of improved accommodation and we trust that you are able to approve the application in order to allow the wonderful and much needed work to continue.

Yours faithfully,

J. Raine

Dear Sirs,

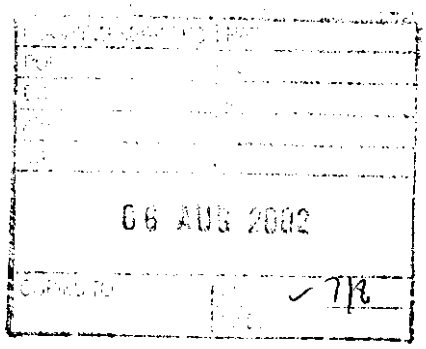

The Diana Brimblecombe Animal Rescue Centre

I trust your Committee will give their full support to the above application for planning consent at their Hurst premises.

As the WDC is aware the Rescue Centre is a valued part of life to Wokingham people, and I therefore think I have no need to add anything further.

Yours faithfully,

P. J. Bowell

Proposed Change of use
at Cross Lanes Stud
Nelson Lane, Hurst

Dear Sir

Our family wish to convey our total support for the above referenced planning application.

Successful progression on this perfect site for such a worthy and long established organisation must surely be permitted. The Diana Brimblecombe Animal Rescue Centre has been active since the 1960's and is held in great esteem

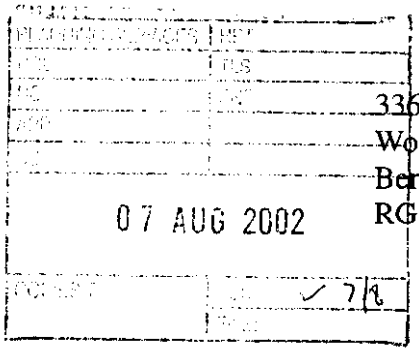

throughout the Wokingham area - and beyond!

We do urge Planning to grant this application the permission it deserves.

Planning application number: F/2002/7032

Your comments

I would like to support the planning application for the new animal rescue. Centres such as these are a local rarity and without them animal welfare would be a serious problem for the council.
This is an ideal site and it would be a great shame if the application was not approved.

Dear Sirs,

Ref: Application F / 2002 / 7032

(Change of use)

I wish to register my support for the above quoted application for change of use of Cross Lane Stud to an animal rescue centre.

Having had significant dealings with various animal rescue centres across the United Kingdom, I have no hesitation in recommending the change of use of the above premises to enable the Diana Brimblecombe Animal Rescue Centre to relocate and continue its sterling work in caring and rehoming unwanted animals.
Their holistic approach to running a centre whilst being sensitive to the environment and residential area is an indication of the very high standards it places on managing and running the sanctuary. It is also worth recording, the existing premises have maintained the support of the local community, both financially and from a practical element for many years.

Yours sincerely,

Dear Sirs.

Re The Diana Brimblecombe Animal Rescue Centre
Registered Charity No. 258472.
Application No F/2002/7032
Change of use of Cross Lanes Stud to an Animal Rescue Centre

To our certain knowledge the above Charity has been doing a good and necessary job for very many years at their present site in Waterloo Rd, Wokingham We support the Cause and their application for Change of use, and in our opinion the alternative site at Cross Lanes Stud is a most suitable one.

We sincerely trust the application will receive sympathetic consideration, leading, hopefully to a successful outcome.

Yours faithfully,

Re: Application No. F/2002/7032
Change of use Crosslanes Stud farm to an Animal rescue centre

Dear Sir,

The Diana Brimblecombe animal rescue centre has an enviable longstanding record and reputation for the rescue, care and husbandry of animals within the local community.

I strongly urge your approval of relocation to Cross Lanes Stud farm as being an eminently suitable location with exemplarily facilities.

As a local resident I am aware of the excellent service that the charity brings to Wokingham, and give my wholehearted support to the application.

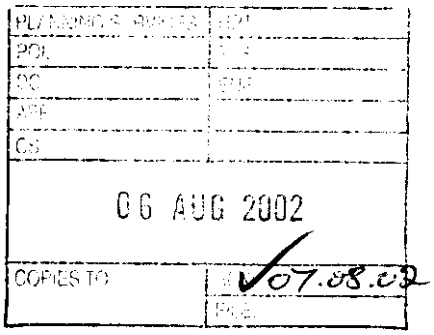

Sincerely,

Colin Knight

Your comments

I would like to support the application for change of use from stud farm to animal rescue centre. The Diana Brimblecombe Animal Rescue Centre has for many years provided an invaluable service to the local community. The opportunity to move to Cross Lane Stud would ensure that their work can be continued, and the lives of many more animals would be improved.

Dear Sirs : Application F/2002/7032 - change of use of cross land to Animal Rescue

Re: The Diana Brimblecombe Animal Rescue Centre

I am writing to express my support of the above Animal Rescue Centre and its application for planning consent regarding their proposed new premises at Holt. I am sure the new premises will be entirely suitable for the purposes of the Animal Rescue Centre's application and I would urge you to consider their application favourably.

The Bowra Bimblebox Animal Rescue Centre does extremely important and much needed work in caring for and rehousing rescue animals and I'm sure the new premises will help give the animals a better environment.

Thank you for your consideration of this matter.

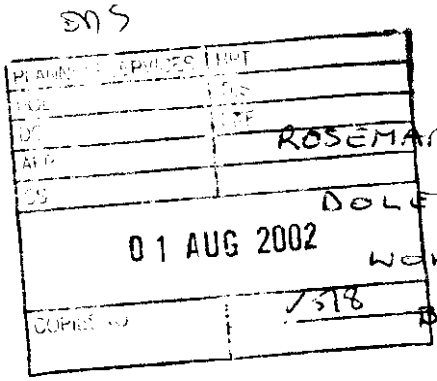

Yours faithfully

R Drew

Dear Sir,

Re: Planning Application: F/2002/7032
Change of use of Cross Lane Stud to an Animal Rescue Centre.

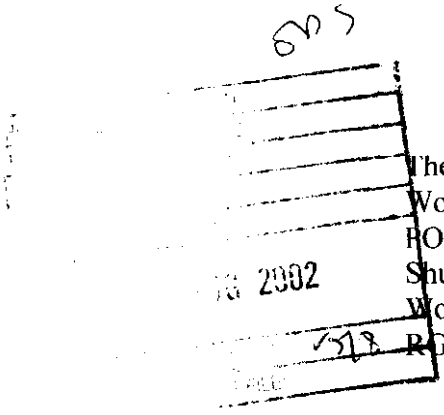

We write to support the above application on behalf of Mrs. Diana Brimblecombe to support her application for the Animal Rescue Centre at Hurst. It is very important for animals that have been ill-treated or abandoned to have a Centre that they feel they can receive a lot of Tender Loving Care after such a traumatic experience. We feel that if you were such an animal the great relief you would feel to find a great loving home if you were in this situation. So please out of the kindness of your heart grant this planning application so that many ill-treated and unwanted animals may spend the rest the of their lives in comfort with a lot of tender loving care.

PLEASE GRANT THIS APPLICATION. It is most important to all these unwanted animals.

Yours very sincerely

Jack and Ann Denbin.

Re: "Application F/2002/7032- Change of use of Cross Lane Stud to an Animal Rescue Centre".

Dear Sir/Madam

I am writing regarding the above application as I have lived in the Wokingham district all my life and have supported the Diana Brimblecombe Animal Rescue for a long time. It is a wonderful charity and the volunteers do the most amazing work. A charity Wokingham could not afford to be without.

I believe the new site at Cross Lane Stud would be the perfect location for the new rescue centre as it is affordable, local and would be a better facility which, after all, is only what the animals deserve

It has been a struggle for the charity so the approval of this application would be a dream come true.

Yours faithfully,

Karen Caruana

Application No F/2002/7032 - Change of use of Cross Lanes Stud to an Animal Rescue Centre.

Dear Sir, I write in support of the Diana Brimblecombe Animal Rescue Centre in its bid for the change of use of the above property.

I consider it to be a most suitable site, for the essential work carried out by the Rescue Centre in its ~ Rescue, rehoming and welfare of stray & unwanted animals.

I wish most sincerely that the Council support & approve the Application, enabling the resituation of a Rescue Centre of which Wokingham could be proud.

Yours faithfully,

Wendy Davis.
