

PLANNING REF : 241933
PROPERTY ADDRESS : 4
: 4 Knowles Avenue, Crowthorne
: RG45 6DU
SUBMITTED BY : Mr Andrew Miller
DATE SUBMITTED : 13/09/2026

COMMENTS:

This a disgraceful loss of green field land. The area doesn't have the capacity for the extra traffic. The justifications in the planning application seem based on the idea that residents will walk or cycle to work, which we all know isn't real. Queues every morning on Peacock lane tell you that there is no capacity left. This is an application filled with false justification that just doesn't meet the reality seen by residents. This should be refused.
