Please state why a Lawful Development Certificate should be granted

The Lawful Development Certificate should be granted because the summer house in the rear garden of 14 Archer Grove is a lawful outbuilding under Class E of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). The building was completed in May 2020, has been in place for more than four years, and is used solely as a home office and storage incidental to the dwellinghouse. It does not exceed 2.5 meters in height, is located in the rear garden, and occupies less than 20% of the garden area, well under the 50% threshold for permitted development.

For these reasons, the outbuilding is compliant with permitted development rights and is therefore lawful.
