COMMENTS:

I whole heartedly support this application as personal health and fitness is more important than ever.

The siting of this facility is ideal to access by bicycle and to be able to visit and use before and after work fits in with my busy lifestyle.

The fact that it is not a massive gym but a more bespoke unit with an onsite trainer is perfect and will be a great addition to the other businesses located at Hogwood including Coffee & Coach and also Siren & Elusive breweries with their onsite taproom s making the estate an even greater place to work at.
