

East Court, Finchampstead

A) View of fenced chicken run and coop from north-east

B) Chain link fencing forming chicken run with corrugated metal clad gable end and roof of chicken coop

C) Front elevation of store building showing existing white powder-coated aluminium garage doors with raised and fielded panels, which are not historically consistent in terms of material or panel profiles.

P03 Chicken Coop/Run existing photos

D) Close up view of close boarded fence panels forming solid enclosure to chicken coop

E) Gable end of chicken coop
