

PLANNING REF : 250222
PROPERTY ADDRESS : 513 Reading Road
: Wokingham, Berkshire
: RG41 5HL
SUBMITTED BY : Mr Neil Chandler
DATE SUBMITTED : 18/03/2025

COMMENTS:

We are the next door neighbours to 515 Reading Road and would like to object to this proposal in the strongest possible terms. As proposed, the new first floor would massively impact the amount of light coming into our property, and into our garden. We are also concerned about the possibility of loss of privacy, since we have upstairs windows, including bathroom windows, on the same side as the proposed

extension. As the councillor and parish council have noted, this appears to be a plan to turn the property into one for six adults, and so parking would be completely insufficient. We are also concerned about the disruption caused to our daily lives by the inevitable lengthy building work that would ensue if this proposal is accepted.

If I can be of any further helps please do not hesitate to get in touch.

Yours,

Neil Chandler
