COMMENTS:

Winnersh Parish Council's Planning and Transport Committee expresses its disappointment that this is yet another retrospective application. The Committee notes a history of works being carried out on the site without prior approval, with retrospective applications subsequently submitted. This pattern of submitting applications after works have been undertaken is concerning and does not align with the expectation that planning permissions are sought in advance of development. The Committee therefore asks Wokingham Borough Council to take enforcement action to ensure compliance with planning rules in respect of this application.
