COMMENTS:

Hi I do not agree with this application as our home back s on to the nature reserve and my concern is nosy lorries ,Pollution, we don't want this in a area as is used by the public and wildlife I walk my dogs around the lake s and I want to know they are safe as they swim in the water every day come winter or summer also the road s are in a bad state already with out the lorries and heavy vehicles up and down all day and weekend s please do not allow this in our lovely location thanks for listening
