PROPERTY ADDRESS : Padstone Barn
: Broadcommon Road, Hurst, Berkshire
: RG100RE
SUBMITTED BY : Mrs Ruth McNeill
DATE SUBMITTED : 24/09/2024

COMMENTS:

I wish to object on the following grounds:-

Change of use of the land turning rural land into residential. A large increase in the volume of dwellings causing overdevelopment. The site appears too small support the increased volume of people and cars the application would generate.

There are serious flooding Issues. Islandstone Lane is often under-water and closed for long periods of time due to flooding in the winter.

Not in keeping with the rural nature of the area . It would set a concerning precedent encouraging others to develop rural land.

I hope the Council will consider the above objections and turn the application down.
