Conditions and/or Reasons

Condition 2 now reads:

Approved details -This permission is in respect of the submitted application plans and drawings numbered

- 24-936-02 Rev. & 24-936-03 Rev.D received by the local planning authority on 11/11/2024 & 09/12/2024
- 24-936-04 Rev.H received by the local planning authority on 24/10/2025
- 25-936-109 Rev.H received by the local planning authority on 06/11/2025

The development shall be carried out in accordance with the approved details.

Condition 5 has been REMOVED.

Condition 6 now reads:

The development hereby approved shall be carried out in strict accordance with the approved landscaping plan (24-936-04 Rev.H). Planting shall be carried out in accordance with the approved details in the first planting and seeding seasons following the occupation of the building(s). Any trees or plants which, within a period of 5 years from the date of the planting (or within a period of 5 years of the occupation of the buildings in the case of retained trees and shrubs) die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species or otherwise as approved in writing by the local planning authority.

All other conditions of planning permission 242727 apply to this planning permission, viz:

1. Timescale - The development hereby permitted shall be begun before the expiration of three years from the date of the original permission.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

3. External materials - The materials to be used in the construction of the external surfaces of the development hereby permitted shall be of as specified on the approved drawings/application form unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: To ensure that the external appearance of the building is satisfactory.
Relevant policy: Core Strategy policies CP1 and CP3.

4. Construction method statement - No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by, the local planning authority. The approved Statement shall be adhered to throughout the construction period. The Statement shall provide for:

- i) the parking of vehicles of site operatives and visitors,
- ii) loading and unloading of plant and materials,
- iii) storage of plant and materials used in constructing the development,
- iv) the erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate,
- v) wheel washing facilities,
- vi) measures to control the emission of dust and dirt during construction,
- vii) a scheme for recycling/disposing of waste resulting from demolition and construction works.

Reason: In the interests of highway safety & convenience and neighbour amenities.
Relevant policy: Core Strategy policies CP3 & CP6.

7. Protection of trees - a) No development or other operation shall commence on site until an Arboricultural Method Statement and Scheme of Works which provides for the retention and protection of trees, shrubs and hedges growing on or adjacent to the site in accordance with BS5837: 2012 has been submitted to and approved in writing by the local planning authority. No development or other operations shall take place except in complete accordance with the details as so- approved (hereinafter referred to as the Approved Scheme).

b) No operations shall commence on site in connection with development hereby approved (including any tree felling, tree pruning, demolition works, soil moving, temporary access construction and or widening or any other operation involving use of motorised vehicles or construction machinery) until the tree protection works required by the Approved Scheme are in place on site.

c) No excavations for services, storage of materials or machinery, parking of vehicles, deposit or excavation of soil or rubble, lighting of fires or disposal of liquids shall take place within an area designated as being fenced off or otherwise protected in the Approved Scheme.

d) The fencing or other works which are part of the Approved Scheme shall not be moved or removed, temporarily or otherwise, until all works including external works have been completed and all equipment, machinery and surplus materials removed

from the site, unless the prior approval in writing of the local planning authority has first been sought and obtained.

Reason: To secure the protection throughout the time that the development is being carried out of trees shrubs or hedges growing within or adjacent to the site which are of amenity value to the area, and to allow for verification by the local planning authority that the necessary measures are in place before development and other works commence Relevant policy: Core Strategy policy CP3 and Managing Development Delivery Local Plan policies CC03 and TB21.

8. Retention of trees and shrubs - No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. If within a period of five years from the date of the planting of any tree that tree, or any tree planted in replacement for it, is removed, uprooted or destroyed or dies, another tree of the same species and size as that originally planted shall be planted at the same place, unless the local planning authority gives its written consent to any variation.

Reason: To secure the protection throughout the time that development is being carried out, of trees, shrubs and hedges growing within the site which are of amenity value to the area. Relevant policy: Core Strategy policy CP3 and Managing Development Delivery Local Plan policies CC03 and TB21.

9. Prior to the occupation of the development hereby permitted, details of on-site biodiversity enhancements such as bug hotels, bird/bat boxes, tiles or bricks and native and wildlife friendly landscaping shall be submitted to and approved in writing by the council. The biodiversity enhancements shall thereafter be installed as approved.

Reason: To incorporate biodiversity in and around developments in accordance with the National Planning Policy Framework.

10. Parking to be provided - No part of any building(s) hereby permitted shall be occupied or used until the vehicle parking space has been provided in accordance with the approved plans. The vehicle parking space shall be permanently maintained and remain available for the parking of vehicles at all times.

Reason: To ensure adequate on-site parking provision in the interests of highway safety, convenience and amenity. Relevant policy: Core Strategy policies CP3 & CP6 and Managing Development Delivery Local Plan policy CC07.

11. Hours of work - No work relating to the development hereby approved, including works of demolition or preparation prior to building operations, shall take place other than between the hours of 08:00 and 18:00 Monday to Friday and 08:00 to 13:00 Saturdays and at no time on Sundays or Bank or National Holidays.

Reason: To protect the occupiers of neighbouring properties from noise and disturbance outside the permitted hours during the construction period. Relevant policy: Core Strategy policies CP1 and CP3 and Managing Development Delivery Local Plan policy CC06.

12. Obscure glazing - The first floor landing and bathroom windows in the eastern and western elevations of the development hereby permitted shall be fitted with obscured glass and shall be permanently

so-retained. The windows shall be non-opening unless the parts of the windows which can be opened are more than 1.7 metres above the finished floor level of the room in which the windows are installed and shall be permanently so-retained.

Reason: To safeguard the residential amenities of neighbouring properties. Relevant policy: Core Strategy policy CP3.

Informatives
