* IMPACT UPON NEIGHB. PROPS
* " " ST. SCENE

Application Number: F/2000/1686
PROP: Pitched roof on existing flat roof extension & S.St-front extension
Appraisal :

IMPACT UPON ST. SCENE:

The proposed S. st-front extension to form an ensuite & entrance way will project out from the existing front doorway by approx 0.9m with a width of approx. 3.8m. The proposed extension will not project beyond the boundary front building line of the dwelling. Given this, plus the relatively minor scale of the development it is not considered that the proposed front extension will have an adverse negative impact upon the st-scene.

IMPACT UPON NEIGHB. PROPS:
The proposed extension to the rear will replace the existing flat roof extension with a pitched roof which will stand at approx. 4.2m to the ridge. Given the distance of the dev. from the neighbouring dwelling to the S.W & given the siting of no. 402's garage adjacent to the boundary w.. no. 400, it is not considered that the proposed extension will have an adverse neg. impact upon the neighb. prop.
