COMMENTS:
Whilst the Applicant has applied for Clearance Pruning it is his writen intention to cut down and demolishover 20 LeyLandii Trees each over 30 Foot high and replace with smaller trees. He is currently a Director of Imperial Court (Maagement ) Company Ltd and has informed all the residents accordingly. Whilst their reaction has been to call an (EGM) on 25th November 2026 The official Notice given to Residents by the Company Secretary Emma Keeley of Cleaver Property Management Unit 4 Anvil Court Denmark Street Wokingham RG40 2BB where it states "Removal of Leylandii trees and associated tree works, including pruning reduction and/or of other identified trees, as appropriate". We have numerous "Bat boxes" within our grounds and hope this will not disturbtheir activities. The removal of live trees is abhorent to me and the noise levels to all the Appartment facing the Reading Road will increase significantly. Many thaks.
