

PLANNING REF : 243017
PROPERTY ADDRESS : 1 Barkhart Close
: Wokingham, Berks
: RG40 1PN
SUBMITTED BY : Mrs Pamela Horner
DATE SUBMITTED : 22/12/2024

COMMENTS:

As the close is unadapted land with weight restrictions on parking areas. To date there has only been small refurbishment works carried out within the Close. I feel the renewed Planning application would be far more detrimental to our close and communal area. The application could all so open Barkhart Close to over - development.
