COMMENTS:

Please could Arborfield Studios ensure that the Google Maps reference is adjusted so that delivery vehicles actually go directly to

Arborfield Studios, and not down the driveway entrance to 48 Langley Common Road, which is also a right of way to Field Farm. When the studio facility is active, there are regular instances of delivery vehicles entering our driveway, and either dropping off packages, or knocking on the door to ask for directions, or having to turn around at the front of our property; all of which is an inconvenience to us at No. 48 and Field Farm.
