

PLANNING REF : 241865
PROPERTY ADDRESS : 26 Shepherds Hill
: Earley, Reading, Berkshire
: RG6 1BB
SUBMITTED BY : Mrs Alison Donkor
DATE SUBMITTED : 09/08/2024

COMMENTS:

A two storey building to the side of our property will block out light to our downstairs office and limit light to the upstairs window that is facing the proposed new property.

Also concerned about the level of disruption and inconvenience that building work will cause us. We have just experiencing six months of railway repair across the road from our property which led to our driveway access being blocked on a daily basis. Building work adjacent to our property will most likely cause the same level of disruption.
