Date of Decision: 2 December 2024

Wokingham Borough Council in pursuance of its powers under the above Acts and Regulations hereby **grants** listed building consent for the above works as stated in the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Conditions and Reasons

1. Timescale - The works hereby permitted shall be begun before the expiration of three years from the date of this consent.

Reason: In pursuance of s.18 of the Town and Country Planning (Listed Building & Conservation Areas) Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details - This permission is in respect of the submitted application plans and drawings numbered 277_02_001; 277_02_102 A; 277_03_101 B; 277_03_102 B; 277_03_103 B; 277_04_101 B; 277_04_102 B; 277_05_101 B; 277_05_102 B; & 277_05_103 B received by the local planning authority on 25/10/2024. The development shall be carried out in accordance with the approved details unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. Matching finishes - All new works and works of making good to the retained fabric, whether internal or external, shall be finished to match the adjacent work with regard to the methods used and to material, colour, texture and profile.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan policy TB24.

4. Notwithstanding the information shown on the approved drawings, no relevant works, or those above slab level, shall commence on site until details of materials and finishes have been submitted to and approved in writing by the Local Planning Authority. The works

shall then proceed in strict accordance with the approved details. These requirements include provision of information relating to:

1. the material, size, texture, colour, profile, and source of facing brickwork and jointing mortar;
2. the material, size, texture, colour, profile, and source of facing render;
3. the material, size, texture, colour, profile, and source of facing stonework;
4. the material, size, texture, colour, profile, and source of roofing materials;
5. materials and finishes to be used in the detailing of valleys, hips, ridges, gables, parapets, eaves and verges;
6. the proposed rainwater goods

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

5. Notwithstanding, and in addition to, the information shown on the approved drawings, no relevant works to windows and doors shall commence on site until full working details of all windows and doors and related joinery, hereby approved, have been submitted to and approved in writing by the Local Planning Authority. Details shall include annotated elevations, sections and plans which are referenced to the approved plans. These details shall illustrate the nature of materials and finishes, framing elements, glazing, glazing units, glazing bars, and methods of opening. Drawings shall be at a minimum scale of 1:10 and with details at 1:5. The works shall then proceed in strict accordance with the approved details.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

6. Notwithstanding, and in addition to, the information shown on the approved drawings, no relevant works shall commence on site until full details of all new mechanical and electrical services, including vents, flues, pipework, cabling, lighting or works associated with building regulations/fire regulations or other similar works have been submitted to and approved in writing by the Local Planning Authority. Details shall include annotated elevations, sections and plans which are referenced to the approved plans, and shall illustrate the nature of materials and finishes and methodology for installation. Drawings shall be at a minimum scale of 1:20, with details at a scale of 1:5. The works shall then be implemented in strict accordance with the approved details.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

Informatives

1. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.
