Comments On Proposal

Thank you for re-consulting Built Heritage following the submission of amended plans. The revised proposals as to take into account previous commentary are welcomed. The increased architectural detailing as to align with the host allows for the addition to have a greater degree of sympathy and thus appropriate in relation to the context.

With this in mind, no objection is raised from a heritage perspective. If minded to approve, the following Conditions are recommended:

Conditions

CN2 Matching finishes - All new works and works of making good to the retained fabric, whether internal or external, shall be finished to match the adjacent work with regard to the methods used and to material, colour, texture, and profile.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

Notwithstanding, and in addition to, the information shown on the approved drawings, no relevant works shall commence on site until full working details of all windows and external doors and related joinery, hereby approved, have been submitted to and approved in writing by the Local Planning Authority. Details shall include annotated elevations, sections and plans which are referenced to the approved plans. These details shall illustrate the nature of materials and finishes, framing elements, glazing, glazing units, glazing bars, and methods of opening. Drawings shall be at a minimum scale of 1:10 and with details at 1:5. The works shall then proceed in strict accordance with the approved details.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.
