COMMENTS:

I see that with in the Twyford Construction Management Plan it states that HGV movement will avoid peak traffic flow hours (08:00-09:00 and 17:00-18:00). As the main access to site during construction is the A4 this condition completely misses the Piggott School end of day at around 15:00 - not sure it's wise to mix Kids and HGVs on the A4. I recommend amending the restrictions to include 15:00 to 16:00 recognising this specific local requirement during the 53 mths construction phase.
