Comments On Proposal

The site is within the Wargrave Conservation Area (CA), a grade II listed building, on a Green Route.

I refer to submissions Arboricultural Report MW.2411.HSW.AIA 14.11.24 and planning statement Nov 24.

National Planning Policy Framework 2024 (NPPF), Wokingham Borough Core Strategy (Adopted 29 January 2010), CP1 – Sustainable development, CP3 - General Principles for development and Wokingham Borough Managing Development Delivery Document (Local Plan) – Adopted 21 February 2014, Policy CC03: Green Infrastructure, Trees and Landscaping, Policy TB06: Development of Private Residential gardens and Policy TB21: Landscape Character, Policy TB24: Designated Heritage Assets (Listed Buildings, Historic Parks and Gardens, Scheduled Ancient Monuments and Conservation Areas), Wokingham Borough Council Borough Design Guide Supplementary Planning Document June 2012 and BS5837:2012: Trees in relation to design, demolition and construction – Recommendations refer.

From a landscape perspective the proposed building is at the far end of the garden, outside the listed building zone and does not offer any public realm views. It is of a size and design such that it will not be out of keeping in the area.

One tree is impacted and mitigation for its protection has been submitted. I have suggested a condition so that the protection is implemented.
