COMMENTS:

I am writing to register my strong objection to the proposed plans. I have two children who attend local schools (Piggott and Polehampton), and the increase in HGV traffic along Old Bath Road would significantly worsen what is already a hazardous route for pedestrians.

Old Bath Road is not suitable for additional heavy vehicle traffic. The footpath is narrow and already poses risks for children walking, scooting, or cycling to school. Introducing more HGVs would greatly increase the danger to all pedestrians, particularly young people who use this route daily.

Beyond the safety concerns, the proposal would negatively impact the character of what is currently a peaceful and pleasant area. I am genuinely shocked that such a plan is being considered. Additionally, the increased fire hazard associated with this proposal raises further serious concerns for local residents.

For these reasons, I strongly oppose the proposed plans.
