Details of the pre-application advice received

I have included the pre-application advice letter received on 16 December 2024 which supported the proposed raising of the ridge by 1.5m, raising of the eaves by 200mm, 2 No. side dormers and new windows to the front and rear gables to form habitable space within the roof. We have followed the advice and provide a full set of existing and proposed drawings along with a preliminary bat roost assessment and Right of Light letter to support the application.
