COMMENTS:

The impact on the local nature reserve
The amount of traffic in and out of the area is causing people and children to walk on the road they can not keep shutting the road while they direct the tyre company's hgv's out
The near accidents on the blind bend to Charvil
The amount of lorry's parked on the main road before and after the business junction
The spray and harsh tyre marks in the grass by the foot path
The lorry's are sometimes from abroad so do not understand please do not block the path when asked

School times this is worse

Peak times

Pollution in the local river lake and nature reserve harming wild animals the fire and safety risk in a known flooded area
