Proposal: **Proposed single storey rear extension to dwelling to form conservatory.**

The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Approve Permission** for carrying out the above development in accordance with the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Condition
1. The development hereby permitted shall be begun before the expiration of five years from the date of this permission.

Condition
2. All new works and works of making good to the retained fabric shall be finished to match in size, colour, texture and profile those of the existing building.

Reason
1. In pursuance of Section 91(1) of the Town and Country Planning Act 1990.

Reason
2. To ensure that the external appearance of the building is satisfactory.

Informative
1. If great crested newts are encountered at any point during development then all works must stop immediately and local English Nature office and Wokingham District Council must be informed.

Informative
2. The applicant is reminded that this approval relates to planning permission only and does not constitute approval under any other legislation including Building Regulations. To obtain advice on current Building Regulations the applicant should contact the Building Control Section of the District Council's Planning Department.

Informative

Appraisal:

Proposed Development

The proposed development is a single storey rear extension to form a conservatory. It will project 4.25m, it will be 5.25m in width and have a maximum height of 4.1m.

The site lies in the identified settlement.

The proposed falls to be assessed against policies in the Loddon Area Local Plan (adopted) and Wokingham District Local Plan (as proposed to be modified).

1. Impact upon neighbouring properties

The impact on the neighbouring properties needs to be assessed in terms of overlooking, overbearing and overshadowing.

Although the land where the conservatory is proposed is raised by approximately 60cm, there will not be any overlooking given that panels are proposed on the east facing elevation of the conservatory and this will mark the boundary with no. 640 Wokingham Road. In addition, a single storey rear extension at no.638 will partially screen the conservatory. Lastly, there is a sufficient distance between no. 70 Skelmersdale Road and the proposed conservatory for there not to be any detrimental impacts.

There will be no adverse impacts in terms of overbearing or overshadowing given the level of screening and the fact that the conservatory is a lightweight single storey structure.

2. Impact upon the character of the area

The conservatory would be screened from the street given that it is to the rear of the property and as such is not considered to have any adverse impacts on the street scene. Further, the conservatory is a simple design in keeping with the design of the dwellings and the materials would match the existing property.

3. Consultation

Hi Daniel

Although this site is within 500 metres of a known great crested newt breeding pond it is separated from it by dense residential development and a number of minor roads. It is unlikely that this application would have an adverse affect on the local great crested newt population. We will not require a newt mitigation scheme but should attach the following informative to any permission granted.

If great crested newts are encountered at any point during development then all works must stop immediately and local English Nature office and Wokingham District Council must be informed.

Cheers

Dear Sir or Madam,

REF: PROPOSED CONSERVATORY AT: 638 WOKINGHAM ROAD EARLEY READING BERKSHIRE RG6 7HN

We would like to make a formal application under the Town and Country Planning Act, to construct a conservatory in accordance with the enclosed detailed drawings and completed application forms.

As we strive to offer our clients a prompt and efficient planning service, we would be grateful if you would assist us in our efforts by forwarding your correspondence to us by fax wherever possible, stating our full reference number. This will greatly assist us in reducing unnecessary time delays.

We trust that the application has everything you require, including a cheque for £110.00. Should you need any additional information, please contact us via the methods listed below.

We will contact you in the next few days, to see if you have any initial opinions on the proposal.

Thanking you for your assistance in this matter,

Yours faithfully,

pp.
