Appraisal

The application proposes a conservatory to be attached to the side of this large detached house set within the identified settlement. The conservatory would extend the full depth of the dwelling and be 2.7m wide. The roof would be pitched and gabled with a 3.2m ridge.

Impact on Neighbouring Properties

The dwelling is sited adjacent to the A4. Because the conservatory is positioned on the north side of the dwelling there would be no adverse impacts on neighbouring properties.

Impact on the character of the area

Because of the conservatory's concealed position there would be no harm the the streetscene of the close. The A4 boundary has a 2.5m fence screening views from the north.
