

Unit 7, Millars Business Park Phase 2, Fishponds Close, Wokingam, RG41 2TZ

Proposed 72.5m2 Mezzanine Floor and the Installation of 2 No. external Heat Pump Inverters.

Landscaping Impact Assessment

The application proposal is limited to internal works and the installation of external heating / air conditioning plant on an existing paved path to the rear of the industrial unit.

As such, the proposal would not affect the existing landscaping on site.
