Comments On Proposal

The site is located along Barkham Ride which is a Green Route, as per the designations map. There is a protected tree in the front garden adjacent to the footway ref. TPO1169/2007.

The proposals are to form an enclosed porch and there will be no conflict with the protected tree or any other vegetation. I have no objection to the proposals based on impact on trees or other vegetation.

INFORMATIVE:

No materials or chemicals must be stored in the area beneath the protected tree or beneath the canopies of any other trees or hedges during the construction of the porch.
