Consultation Responses :

Wokingham T. C : no objection - subject to no obj. from adjoining property.

Planning Issues :

1) Impact upon neighbouring properties
2) Impact upon Street Scene.

Application Number: F/2000/3093

Appraisal:

The Proposed development is for a single storey rear extension to form a conservatory. It would be 4.1m wide, 3.6m deep and have a hipped roof 2.3m to the eves and 3.3m to the ridge.

The property is detached, with a 1.8m fence enclosing the whole garden.

1. Impact upon neighbouring properties

The proposed development is only around 1m from the boundary with No.37, however this property has no side windows and is set back in relation to No. 35, the conservatory would not protrude beyond the rear building line of 37. The proposal is also single storey and has a hipped roof (which takes the massing away from the boundary). It is therefore considered that there would be no adverse effects upon neighbouring properties.

2. Impact upon the character of the street scene

The conservatory would not be visible from Dorset Way. The materials used would match existing and it is therefore considered that there would be no adverse effects upon the character of the street scene.
