COMMENTS:

I am concerned with the overdevelopment of this site for 3 houses where permission for two houses was refused in 2019.

I am objecting to the 3 bedroom house ,on plot 3, which will look out onto 102 finchampstead road's rear / side garden and the gardens of 4 (bungalow) and 6 (house) on tangley drive, there will also be

overlooking into the front gardens of 3 (bungalow) and 5 and 7 (houses) on tangley drive.

There will be an additional driveway onto the busy Finchampstead Rd when there is at present only 1 driveway - drivers block the road and do not give way to pedestrians walking across their drive way - there is a lot of school pedestrians along this stretch out to Evendons Primary and the schools in town (Wescott, westende, st crispins, walter, st pauls, Holt etc

in summary I object to plot three in full, with a consideration request to remain as one driveway to be shared with plot one and two combined. thank you, Mrs Brown
