COMMENTS:

I am in support of this application. The main mosque(Aisha Masjid & Islamic Centre) on 226 London Road, Reading RG6 1AH has become extremely busy. This is also on the bus route & the bus gets blocked on Friday afternoons. Having this additional mosque in the vicinity will spread out the traffic. This is unused site with ample parking & secluded from the main road. Hence an ideal option to convert it into an Islamic education and worship centre.
