Dear Sir / Madam,

PLANNING APPLICATION: 191705 Phase 3
SITE ADDRESS: Meadow Sweet, Loddon Drive, Wargrave, RG10 8HD
DEVELOPMENT DESCRIPTION: Application to vary condition [2] of planning consent [173621] for the proposed erection of 2no detached dwellings with detached garages, access points onto Watermans Way and Loddon Drive, driveways, garden amenity areas and landscaping. Condition [2] refers to allow changes to the approved plans and CIL liability.

CIL Liability

This notifies you that you will be liable to pay **£0.00** of Community Infrastructure Levy to Wokingham Borough Council as CIL collecting authority on commencement of development of planning permission 191705 Phase 3. This charge is levied under Wokinghams CIL Charging Schedule, and S211 of the Planning Act 2008. Further details on the CIL payment procedure can be found in the attached notes.

* Demolished floorspace and existing floorspace are only included above if eligible for deduction from the chargeable area.

How we calculated this figure

We calculated this figure using the formula below as set out in regulation 40 of the CIL Regulations 2010 (as amended):

The CIL Total Area Charge = Chargeable Area (A) x Rate (R) x Index (I)

The Chargeable Area is the gross internal area of the total development less the floorspace of any existing buildings which are eligible deduction.

To be eligible for deduction, the existing buildings must be situated on the relevant land on the day planning permission first permits the chargeable development and be 'In Use'.

A building is defined as being '**In Use**' if part of the building has been in continuous use for a period of at least six months within the period of three years ending on the day planning permission first permits the chargeable development.

The charge will be index linked based on the following formula:

I_p/I_c where I_p is the index figure for the year in which planning permission was granted and I_c is the index figure for the year the charging schedule took effect (2015), using the national All-in tender price index published by the Building Cost Information Service (BCIS).

New liability notices may be issued

Any change in the details contained in this notice which affect the calculation of the chargeable amount will lead to the Council issuing a new liability notice. Changes requiring a new calculation of the chargeable amount may arise from:

- A change to the liable party.
- Granting of social housing relief or charitable relief.
- Any existing buildings deducted from the CIL-liable floorspace are subsequently found not to have qualified as being 'In Use' (defined above) for a continuous period of at least six months within the period of twelve months ending on the day planning permission first permits the chargeable development.

Please note it is your responsibility to notify us if:

- There is a change in the liable party. In this case, please complete a [Withdrawal of Assumption of Liability form](#) and or a [Transfer of Assumed Liability form](#).
- The liable party's contact details change.
- There are any changes in the floorspace details involved in the chargeable development. In this case, please submit a new [Planning Application Additional Information Requirement Form](#).

When will this CIL amount be due for payment?

If the payment procedure is followed correctly, this CIL amount will be payable in the following manner:

2 instalments: 50% of the levy 60 days from commencement; 50% of the levy 120 days from commencement.

You must notify Wokingham Borough Council of the date on which you intend to commence development by submitting a valid [Commencement Notice](#).

Payment of the CIL chargeable amount will be due in full on the day that development commences. **If a valid commencement notice has not been submitted before development commences, payment of the CIL amount will be due in full on the day that the collecting authority believes the development to have**

commenced. Interest and surcharges may also be applied.

Some or the entire CIL chargeable amount may also be paid by transferring land to the CIL charging authority or another beneficiary agreed with the charging authority. Please see the Planning Portal note on [Paying CIL in the Form of Land](#) for further information.

Consequences of non payment

If you fail to follow the payment procedure described above, the collecting authority may impose surcharges on this liability. Persistent failure to pay CIL liabilities due may result in the collecting authority imposing surcharges, serving a CIL stop notice prohibiting further development on the site and/or taking action to recover the debt due. Please see the document published by the Department for Communities and Local Government on the [Consequences of failing to following the CIL Payment procedure](#) for further information.

The amount of CIL liability in this notice is a local land charge

This CIL liability has been registered as a local land charge against the land affected by the planning permission in this notice. This charge will be cancelled on full payment of this liability.

The local land charge for the amount of relief granted in this notice will be cancelled three years after commencement of development, or where a disqualifying event has occurred, on full payment of the amounts due.

Do you think we have made a mistake in our calculations?

You can ask us to review our calculation. If you are unhappy with the calculation following this review, you can appeal to the Valuation Office Agency. Please see the National Planning Policy Guidance on the [appeals Procedure](#) for further information.

Recipients of this Liability Notice

Other recipients of this notice include the following (where relevant):

- Those jointly liable to pay CIL or those who have jointly assumed liability to pay CIL.
- Each person known to the authority as an owner of the relevant land.
- The person who has applied for planning permission or submitted a notice of chargeable development, where this is different to those above.
