Appraisal :

Development
Proposed single storey front extension to dwelling.

The site is a link property located within the identified settlement of Wargrave.

Impact upon neighbouring properties
The proposal would project 2m in front of the main dwelling. No 39 has submitted a similar application and hence there would be no adverse impact. As for no 41, the adjoining property to the West, it is felt that the proposal would not create a poor outlook nor affect their amenities because the extension projects only 2m in front of the property.

Impact upon the character of the area
No 36 has a similar front extension along this part of Fidlers Walk. There are also about 5 similar extensions toward the approach of Fidlers Walk. The proposal would therefore become part and parcel of the street scene.

Parking: The front garden measures about 12m in depth x 7m in width and is adequate for parking two cars despite the 2m extension.
