Appraisal:

This proposal is for the erection of a single storey extension to form a conservatory. It is considered that this proposal raises one issue:

Impact on adjoining properties: LBE 1, LBE 2, WBE 1

The application site has already been extended to the side and rear. This new conservatory will be on the rear of the extension such that it extends 5.5m from the original rear of the dwelling. The property is in a curved relationship with the neighbouring properties to both sides. Given the 1.8m high close-boarded fence it is considered that this will not cause undue overlooking. To the rear, the conservatory may be visible from the properties in Comet Way, but being at a distance of 32m from the nearest of those properties this will not have an undue impact.
