

PLANNING REF : 260069
PROPERTY ADDRESS : The Old Post House
: The Street Swallowfield, Reading
: RG7 1QY
SUBMITTED BY : Mr David Entwistle
DATE SUBMITTED : 11/02/2026

COMMENTS:

I wish to object to the discharge of condition 8 foul sewerage disposal. I support the submitted objections by Philip Gould, Peter Allen, Simon Taylor, Graham Stanley, and Swallowfield Parish Council. The planning inspector recognised the existing failings with the village sewage capacity, and it is for the utility provider to increase the capacity prior to the development's connection. No work on this has been undertaken to date. The mere submission of on site drawings by the developer does not discharge this condition and should be refused.

Currently, the sewage discharge from the village has failed again with no proposed date for rectification. I live directly opposite the Swallowfield pumping station, where up to 3 lorries, simultaneously park right outside my house on a 24/7 noisy operation.
