

PLANNING REF : 241567
PROPERTY ADDRESS : Juniper House
: 14 Burnmoor Meadow, Finchampstead
: RG40 3TX
SUBMITTED BY : Mrs Gillian Leach
DATE SUBMITTED : 28/12/2024

COMMENTS:

I understand that this application has been amended, but my objections remain the same. This land is next to a newly created nature reserve with ground nesting birds; light pollution, predatory pets and major extra disturbance negates these conservation efforts. In addition this land extends the village urban area towards Eversely and narrows the green space between the villages. There are few amenities in Finchampstead village; for example there is no street lighting and no public transport, nor is it possible to walk to amenities as there are is no footway to California Crossroads. Finchampstead surgery at California Crossroads is oversubscribed. This development is not environmentally friendly or sustainable.
