NOTIFICATION OF REFUSAL OF CERTIFICATE OF LAWFUL PROPOSED USE OR DEVELOPMENT

Application Number: 250490

Applicant Name: Mr Craig Tucker

Site Address: 60 Ryhill Way, Earley, Wokingham, RG6 4AZ

Proposal: Application for a certificate of lawfulness for the proposed conversion of the double garage to habitable accommodation with associated changes to fenestration.

Date of Decision: 6 May 2025

Wokingham Borough Council hereby certifies that on 21 March 2025 (being the date of application for this certificate), and subject to any conditions and/or informatics below, the operations described in the First Schedule to this certificate in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, **would not have been lawful** within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1. The proposed conversion of the double garage to habitable accommodation with associated changes to fenestration constitutes development requiring planning permission. Permission is not available under Article 3 of the Town and Country Planning (General Permitted Development) Order 2015, the proposal not being in accordance with Schedule 2 (Part 1) (Class A) of the Order. This is because Condition 3 under Planning Permission 19154 states:

Garages shall all be used as domestic garages only and shall not be used for business purposes or any other purpose without the prior written permission of the District Planning Authority.

Reason: In the interests of amenity and to ensure that garages are retained in accordance with the District Planning Authorities parking standards.
