Details of the pre-application advice received

Pre-application advice recommendations were to 1) set the extension further back, 2) remove the projecting gable, 3) insert a window to the front elevation. In a post pre-application discussion it was noted that the side extension could project slightly forward of the host dwelling (see page 7 of the supporting statement).

- (a) a member of staff
- (b) an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
