

## Discharge of conditions statement

Primrose Cottage

Fleet Hill

Finchampstead

Planning Permission: **No. 250602**

Decision Date: 9th June 2025

Condition: No. 5 (protection of trees)

The attached Arboricultural Method Statement, prepared by Urban Tree Experts, addresses tree and root protection during the course of the development work to construct the extension (as described in the planning application).

It covers protection of retained trees, roots and soil and describes on site steps to be taken by the contractor.

It follows on from the tree survey/report prepared and submitted for planning.
