- ☐ Request further information before determination as **stated below**
- ☐ Objection due to the reason(s) **stated below**

## Comments On Proposal

While the total numbers of habitable rooms cannot be identified from the plan, it is a single storey extension, and the plan indicates no change in the numbers of habitable rooms on ground floor. The extension will not affect the existing driveway parking. It is therefore expected that there will be no additional demand for car parking and no reduction in parking provisions.

The Highways have no objection to the proposal.
