

PLANNING REF : 260177
PROPERTY ADDRESS : 31 Fosters Lane
: Woodley, Reading, Berkshire
: RG5 4HH
SUBMITTED BY : Mr R D Sexton
DATE SUBMITTED : 20/03/2026

COMMENTS:

The style of the proposed property is not in keeping with the existing surrounding properties and the site layout does nothing to answer the problems of parking.

We have no objection to the existing single property being changed/extended or sympathetically changed but such changes should be reasonable and scaled within the single plot.

Tweaking the design in a minor way does absolutely not change the objection to the out-of-character development proposed.
