

HOUSEHOLDER **DRAFT DECISION NOTICE**

WOKINGHAM
BOROUGH COUNCIL

Expiry Date: 26 June 2026

Application Number: 260801

Location: 263 Nine Mile Ride, Finchampstead, Wokingham, RG40 3NS

Proposal: Householder application for the proposed raising of the roof, incorporating habitable first-floor accommodation with front facing dormers, plus first floor rear extension, infill side extension, infill rear extension, and associated alterations to fenestration and external elevations.

Recommendation: Approve

Conditions and/or Reasons

1. Timescale

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details

This permission is in respect of the submitted application plans and drawings numbered (2535/06), (2535/02A), (2535/03A) & (2535/05A), received by the local planning authority on 01/04/2026 & 05/06/2026. The development shall be carried out in accordance with the approved details unless otherwise agreed in writing by the local planning authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. External materials

The materials to be used in the construction of the external surfaces of the development hereby permitted shall be in accordance with the application form.

Reason: To ensure that the external appearance of the building is satisfactory.
Relevant policy: Core Strategy policies CP1 and CP3.

4. Retention of trees and shrubs

No trees, shrubs or hedges within the site which are shown as being retained on the approved plans shall be felled, uprooted wilfully damaged or destroyed, cut back in any way or removed without previous written consent of the local planning authority; any trees, shrubs or hedges removed without consent or dying or being severely damaged or becoming seriously diseased within 5 years from the completion of the development hereby permitted shall be replaced with trees, shrubs or hedge plants

of similar size and species unless the local planning authority gives written consent to any variation.

Reason: To secure the protection throughout the time that development is being carried out, of trees, shrubs and hedges growing within the site which are of amenity value to the area. Relevant policy: Core Strategy policy CP3 and Managing Development Delivery Local Plan policies CC03 and TB21.

Informatives

1. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.

2. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

3. The applicant is reminded that should there be any change from the approved drawings during the build of the development this may require a fresh planning application if the changes differ materially from the approved details. Non-material changes may be formalised by way of an application under s.96A Town and Country Planning Act 1990.

4. Bats are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended). Should any bats or evidence of bats be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed. All contractors working on site should be made aware of the advice and provided with the contact details of a relevant ecological consultant.

5. The development hereby permitted is liable to pay the Community Infrastructure Levy. The Liability Notice issued by Wokingham Borough Council will state the current chargeable amount. A revised Liability Notice will be issued if this amount changes. Anyone can formally assume liability to pay, but if no one does so then liability will rest with the landowner. There are certain legal requirements that must be complied with. For instance, whoever will pay the levy must submit an Assumption of Liability form and a Commencement Notice to Wokingham Borough Council prior to commencement of development, failure to do this will result in penalty surcharges being added. For more information see the Council's website - Community Infrastructure Levy advice page. Please submit all CIL forms and enquiries to developer.contributions@wokingham.gov.uk.

6. This application has been assessed as an extension to an existing dwelling whereby a significant proportion of the dwelling's internal and external walls are proposed to be retained. This decision does not give approval for demolition of the existing dwelling which would require a separate planning permission. Should the property be demolished and rebuilt such works would also trigger the requirement for

financial contributions under the Community Infrastructure Level (CIL) to be paid by the applicant for which no self-build relief will be applicable. For more information refer to the Council's website and the relevant CIL pages.
