

PLANNING REF : 242011
PROPERTY ADDRESS : Field House
: Warren Lane, Field House, Wa Finchampstead, Wokingham, Berksh
: RG40 4HR
SUBMITTED BY : Mr Richard Ellison
DATE SUBMITTED : 24/09/2024

COMMENTS:

Dear all, I wish to object to the proposed application, reference number:242011 on the following grounds:

i). Removal of the established fauna and TPO protected trees located at the site is inappropriate given the intended use and purpose, notwithstanding providing inadequate space for the intended proposal and associated vehicles. A further concern is that vehicles intended for the proposed site would utilise Warren Lane for both access and parking which is unsuitable use of a public bridleway.

ii). The application intends to introduce an additional vehicle access point to the Finchampstead Road. Exiting Warren Lane on to Finchampstead Road is dangerous given the speed in which people travel. The introduction of a further access point would certainly increase risk to all motorists and contravene the highways and safety guidelines.
