COMMENTS:

I strongly object to this application. Having read through the many objections made by a substantial number of local residents I am in agreement with them all.

In particular the effect this development will have on the care home residents who are in need of a quiet and tranquil space. I also think allowing another entrance onto Finchampstead Road at this particular spot is ill thought and dangerous.

As pointed out by a lot of people this application contravenes the Neighborhood plan which was only recently voted for.
