

PLANNING REF : 260006
PROPERTY ADDRESS : 103 103 Butts Hill Road
: Woodley, Berks
: RG5 4NT
SUBMITTED BY : Mrs Brenda Milton
DATE SUBMITTED : 19/02/2026

COMMENTS:

It has now been accepted that I have never received any notification of any planning at 18 Selsdon Avenue so have had no chance to comment. I had to ask the planning department for the planning number - at

that time I looked at the plans - there was no mention of dormer or windows in the roof on the plan - I notice these have now been revised. But my point in all of this is that I have had no chance to make any form of comment. I am now overlooked by a large dormer and I want a chance to object to this and changes to be made so that my

garden is not overlooked. I understand that builder take the risk of starting the work without all the process in places. As stated I have never been consulted and still wait for that to happen - don't hold much hope. There has never been a public notice posted outside the property I thought this always had to done. I will keep on objecting to this project until I get the window removed. I have contact my local MP on the whole subject. Something is very wrong.
