COMMENTS:

The Wokingham (Civic) Society planning officer has reviewed this application as it is in line with The Society's policy to review all planning applications relating to buildings and structures being submitted to WBC within the town centre Conservation Area,

and wishes to comment as follows:

2 Yeoman Court 260066.

Application for single storey flat roof rear extension.

Having viewed this application there are no objections to the proposed

rear extension. The proposed single storey rear extension to No2 oman

Court does not impact on the adjoining gardens or street scene.

The 2 new buildings plus a barn conversion are an infill on land that

was

historically a farm yard to No 82 Rose Street.

Rose Street is one of the oldest historic streets in the town within the heart of

the conservation area and its preservation is felt to be essential in these times

of change.
