Dear Mrs Close,

(T1) ASH (Fraxinus Excelsior) TPO No 1093/2005- Prune back lateral branches only on the westerly side by approximately 1.5m to give a clearance of approximately 3m from building. Prune back lateral branches on the southerly side by approximately 2m to give clearance over the driveway. Raise crown on the easterly side to achieve a 5m ground clearance over footpath and highway. Crown Clean by removing any major deadwood from within.

I hope that this is to your satisfaction. All work undertaken is covered by our £10,000,000 Public and Employers Liability Insurance. Should you require any additional information please do not hesitate to contact me.

Yours Sincerely,

Bradley Nash
